

The End of Hunger in Worcester County begins with this *Call to Action!*

*“We must work together to eradicate hunger
once and for all.*

*We must take action to convince policy makers
that anti-hunger programs are important;
that they are worth spending money on.”*

Congressman James P. McGovern

Call to Action

Ensure children's access to nutritious school meals as a systemic and sustainable approach to childhood hunger.

Today's Action:

- Take the pledge to help low-income children receive healthy school meals. Sign and return your postcard today. Visit www.projectbread.org/schoolfood to send an e-postcard.

Maximize utilization of SNAP benefits by all eligible households to expand their access to nutritious food.

Today's Actions:

- Join the *Food SNAP Improvement Coalition*!! Contact Pat Baker at pbaker@mlri.org to get on the Coalition e-list for updates on SNAP policy and state/federal initiatives.
- Call your U.S. Representative and ask them to speak out against the nutrition cuts in the House Agriculture Appropriations Bill. Visit www.frac.org for more information on the budget cuts.
